

User Guide for **NEW** applicants or those applying for a **SUPPLEMENTARY** licence

Updated Apr 22/25

IMPORTANT NOTES PRIOR TO BEGINNING AN APPLICATION

The online application system applies to all categories of applicants other than an Amendment to a [Restricted Insurance Agent's](#) (RIA) Designated Official, which requires the completion of a [paper application](#).

General or Adjusters only: An Operating Agent ("K") or Designated Representative ("E") MUST apply and be issued first prior to any other level of agent or adjuster applying for a licence.

Review the ICM website:

The Insurance Council of Manitoba issues licenses on an equivalency basis (i.e. "Acting Under Supervision" in Ontario would be equivalent to ICM's Level 1 General Licence). QC Residents (who obtained their education in QC Jan 1/16 or after) MUST show proof that they have completed the "LLQP CANADA" program or the "Ethics & PP (Common Law)" program in order to obtain a licence in MB. Providing information that they have a licence in QC does not fully satisfy the information required by the ICM. Review the required educational requirements prior to applying for a particular licence ([General requirements](#), [Insurance Adjuster requirements](#), [Life/A&S requirements](#)). Should the applicant apply for a General Agent Licence or Insurance Adjuster Licence at a different level than they qualify for, the application will be returned as incomplete.

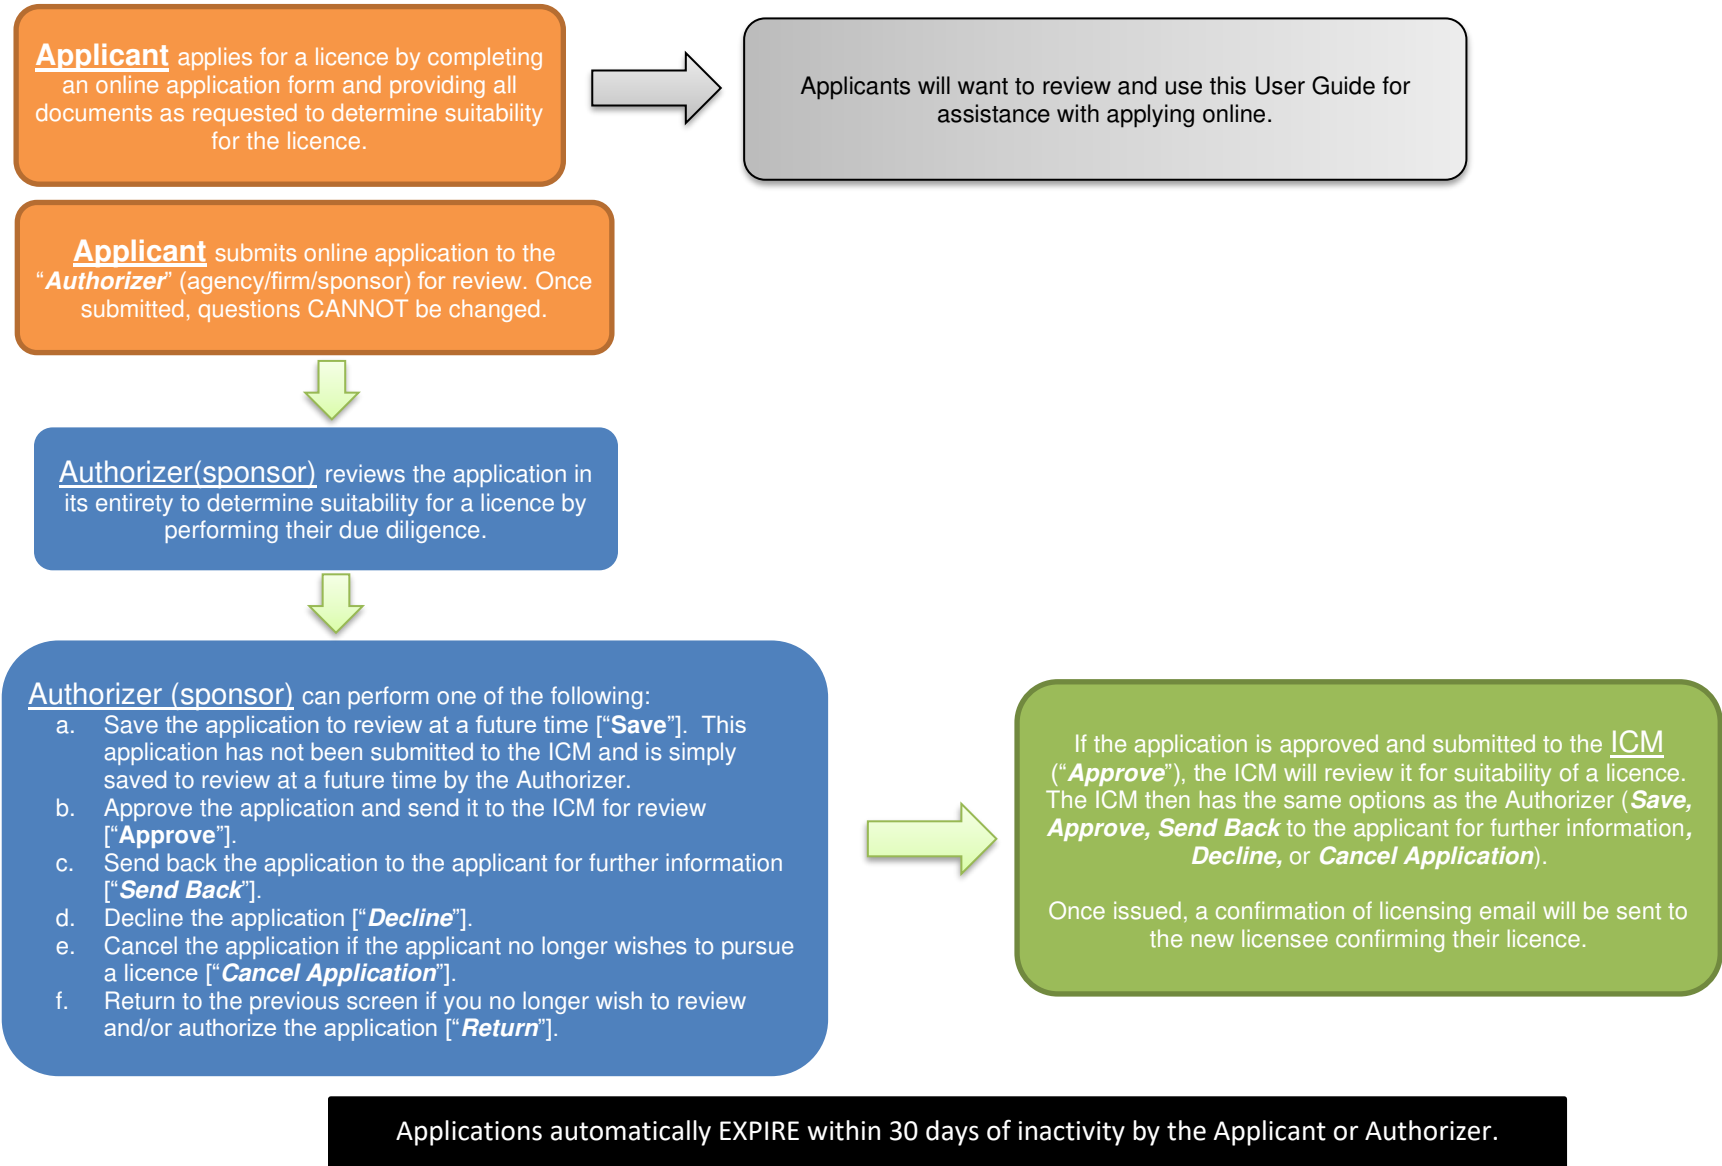

All applications are reviewed in the order that they are received at the ICM office - no exceptions are given. Applications are typically reviewed **within 7-business days of being received at the ICM office**, however, this could vary depending on the volume of applications received on any given day.

To allow our staff to be as efficient as possible, we ask that you do not contact the ICM office unless you have not received a response by the start of the 8th business day.

The progress bar (as demonstrated below) at the top of your application will provide you with the stage in which your application currently sits.

- “Waiting to Submit” = application is pending with the applicant for information.
- “Pending Authorizer’s Review” = application is with the sponsoring organization to review and submit to the ICM for consideration of a licence.
- “Pending ICM Review” = application is pending with the ICM for review and consideration of a licence.

Steps to applying for a licence

Important Notes about Payment:

- Payments are kept on hold as a pre-authorization until the licence has been issued by the ICM.
- A receipt can only be viewed by the applicant once the service is rendered (a licence has been issued) by the ICM. Receipts for pending applications will not be provided.
- If an application is “Cancelled”, “Declined” or “Expired”, the pre-authorization payment is released back onto the credit card or added back into the company account if paid by a credit on account.

Step 1: Login or Register as a new applicant

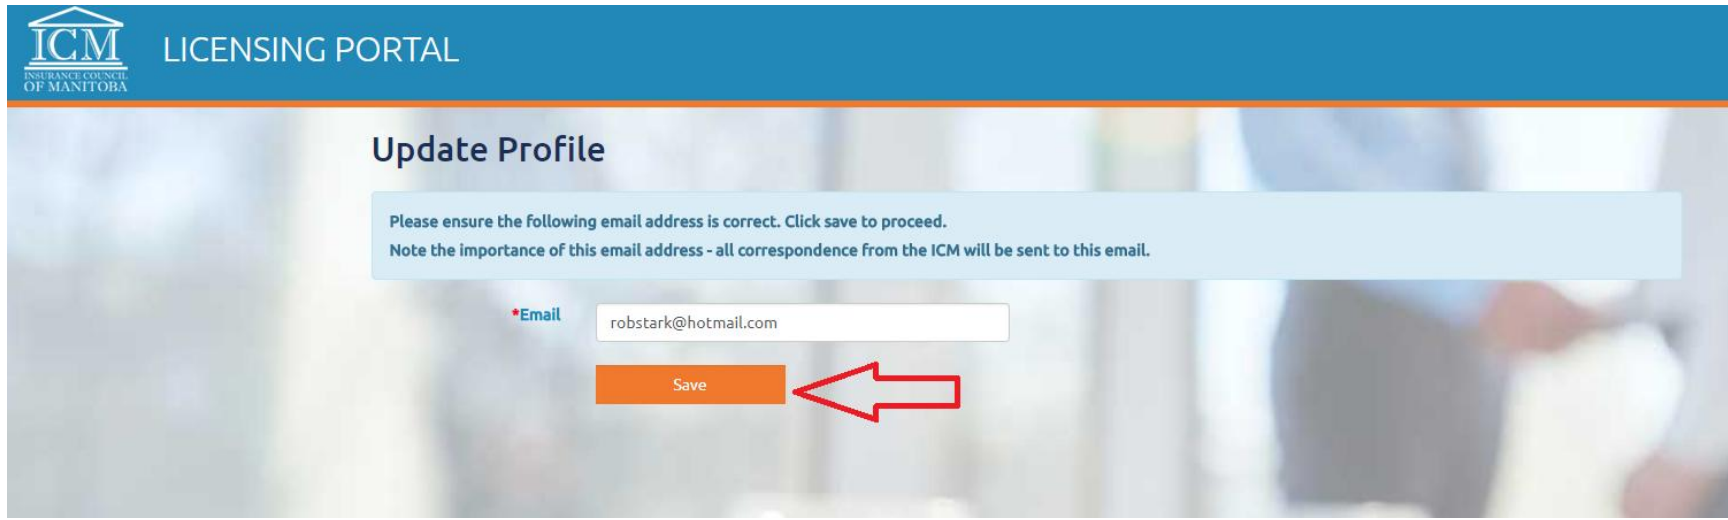

Login or Register as a **new** applicant within the online portal at <https://lms.icm.mb.ca/lcmPortal/>.

The screenshot shows the ICM Licensing Portal interface. At the top, there is a blue header with the ICM logo (Insurance Council of Manitoba) and the text "LICENSING PORTAL". Below the header, the page is divided into two main sections. On the left, there is a green box titled "Existing Users Log In" containing fields for "User ID" and "Password", a "Log In" button, and links for "Forgot your User ID?" and "Forgot your password?". To the right of this box is the word "OR". Further right is an orange button labeled "Register as new applicant". Application Status

All Applications are reviewed in the order that they are received at the ICM office - no exceptions are given. Applications are typically reviewed within 7-business days of being received at the ICM office, but this could vary depending on the volume of applications received on any given day. Please refer to the progress bar (located at the top of your application) to determine which party in the process is currently reviewing your information:

- “*Waiting to Submit*” = application is pending with the applicant for information.
- “*Pending Authorizer’s Review*” = application is with the sponsoring organization to review and submit to the ICM for consideration of a licence.
- “*Pending ICM Review*” = application is pending with the ICM for review and consideration of a licence.
- “*Approved*” = application has been approved for a licence.

Note: *Once the licence is issued, a confirmation of licensing email will be sent to the new licensee confirming their licence.*

Refer to the [User Guide](#) to assist you with the process and change in progress bar. Please do not contact the ICM office for a status update **unless the application has been “*Pending ICM Review*” for over 7-business days.**

Step 5: Educational Requirements in Manitoba

- The Insurance Council of Manitoba issues licenses on an equivalency basis (i.e. “Acting Under Supervision” in Ontario would be equivalent to ICM’s Level 1 General Licence).
- Review the required educational requirements prior to applying for a particular licence.
- Should the applicant apply for a General Agent Licence or Insurance Adjuster Licence at a different level than they qualify for, the application will be returned as incomplete.
 - [Life and accident & Sickness education requirements](#)
 - [General education requirements](#)
 - [Adjuster education requirements](#)

Step 6: Determine who you are applying with

User chooses the **Insurance Class**, **Licence Class**, **Agency/Adjusting Firm** and/or **Sponsor** and proceeds to the next page by clicking Continue.

Important Note: a change to your agency/firm and/or sponsor name cannot be made once the application has been submitted. This type of change can only be made by cancelling the existing incorrect application and submitting a new fully and correctly completed application form.

If you are applying with an organization that is not found in the search fields, please contact the Insurance Council of Manitoba at contactus@icm.mb.ca. ICM can then confirm that you have incorporated your legal agency/firm name and/or registered your agency/firm name with the [Manitoba Companies Office](#) before allowing you to proceed in the online system. If the name is not on file with the [Manitoba Companies Office](#), the ICM will not allow you to proceed. If you do submit an application under the incorrect agency/firm name or without an agency/firm name and are wishing the ICM to make this change to the agency/firm name for you, our office will not accept the application and further delay on your application and potential licence would occur.

Application for New Licence

The online application system has been enhanced and currently applies to all categories of applicants other than an Amendment to an RIA Designated Official. This type of application must be completed by paper format.

All Applications are reviewed in the order that they are received at the ICM office - no exceptions are given. Applications are typically reviewed within 7-business days of being received at the ICM office, but this could vary depending on the volume of applications received on any given day. Please refer to the progress bar (located at the top of your application) to determine which party in the process is currently reviewing your information:

- “*Waiting to Submit*” = application is pending with the applicant for information.
- “*Pending Authorizer’s Review*” = application is with the sponsoring organization to review and submit to the ICM for consideration of a licence.
- “*Pending ICM Review*” = application is pending with the ICM for review and consideration of a licence.
- “*Approved*” = application has been approved for a licence.

Note: Once the licence is issued, a confirmation of licensing email will be sent to the new licensee confirming their licence.

Refer to the [User Guide](#) to assist you with the process and change in progress bar. Please do not contact the ICM office for a status update **unless the application has been “*Pending ICM Review*” for over 7-business days.**

View your Payment History/Obtain A Receipt for payment:

NOTE: Payments are only viewable to the individual that made the payment. i.e. if the payment was paid by the “Company”, then the individual applicant would not be able to see this transaction, but the Authorizer with the “Company” would.

Click on “***Payment***” then “***History***”.

You can then select any search criteria for “Licence Fees” or “Exam Fees” and view your transactions, and obtain downloadable receipts, as sampled in the pictures below.
