

AGENT Licence Renewal CLOSED

Emailed June 2, 2025

Emailed to all Insurance AGENTS that did not renew their Manitoba Insurance Licence(s).

Your insurance agent licence(s) expired at the end of the day on May 31, 2025. The appropriate parties have been notified of the non-renewal.

As of June 1, 2025, you are no longer authorized to conduct any insurance-related business.

If you wish to apply for reinstatement, you must complete the online reinstatement application and follow the instructions outlined in the [User Guide - to Reinstate a Licence](#).

Please note that submitting an application does not grant permission to act as an agent. You must wait until a licence is issued and you receive confirmation via email before resuming any insurance activities.

Resident agents only (not including RIA or Hail agents): Failure to reinstate within 12 months of the expiration date will result in additional educational and licensing requirements.
