*Emailed July 4, 2025*

---

Your Insurance Adjuster Licence expired at the end of the day on June 30, 2025. Your adjusting firm or sponsoring insurer has been advised that your licence was not renewed.

**Effective July 1, 2025, you are no longer permitted to transact insurance business or act within the definition of an adjuster.**

If you wish to apply for reinstatement, you must complete the online reinstatement application and follow the instructions outlined in the [User Guide - to Reinstate a Licence](#).

Please note that submitting an application does not grant permission to act as an adjuster. You must wait until a licence is issued and you receive confirmation from the Insurance Council of Manitoba before performing any duties as an adjuster.
