

HAIL ADJUSTER Licence Renewal CLOSED

Emailed July 10, 2025 to all Hail Insurance Company Primary Authorizers

This email has been sent to you as the designated authorized appointee and primary contact on file with the Council. If you are not the appropriate recipient, please forward this message to the correct authorized appointee and notify the Insurance Council of Manitoba so we can update our records accordingly.

The Insurance Council of Manitoba ("ICM") **Hail Adjuster** licence renewal for the new licence year of 2025/2026 is now complete. Please review the list of licensees on the ICM website under "[Licence Search](#)" for the specific insurance company listed above to ensure all individuals are properly licensed with Council. Any hail adjuster who failed to renew their licence is unlicensed effective July 1, 2025, and may not act as an adjuster. An online reinstatement application is required to be completed by any applicant wishing to be considered for reinstatement (information on how to reinstate a licence is outlined within the [User Guide - to Reinstate a Licence](#)). Notice of completion of the reinstatement will be provided to the adjuster by email. **Any adjuster who has a gap in licensing history must not act within the definition of an adjuster during that unlicensed period.**

You are required to notify the ICM immediately when you no longer sponsor a licence [in accordance with Section 373(2) of The Insurance Act of Manitoba]. To do this, log into your [account](#), navigate to **Organizations**, select the organization under which the licence holder is licensed, and then choose **Licences - Manage Cancellation(s)**.

Adjuster licensing status is subject to change daily. You may check an adjuster licensing status at any time on the ICM website at www.icm.mb.ca under "[Licence Search](#)".
