

Disaster Response Adjuster Licensing Application Now Available

Communicated June 16/26

This notice has been sent to you in your capacity as the Designated Representative for an adjusting firm or as an insurer's primary appointee ("Authorizer") on record with the Insurance Council of Manitoba.

The Insurance Council of Manitoba (ICM) has launched a **Temporary Adjuster Authorization Application** to support disaster response efforts.

This **expedited, mass licensing process** allows firms to quickly request temporary authorization for multiple adjusters, enabling faster deployment during periods of high claims volume.

The application is now available on the [ICM website](#).

Key Highlights:

- Streamlined process for **bulk temporary licensing requests**
- Designed to support **timely disaster response efforts**
- Enables **rapid authorization**, with full applications to follow within 60 days

We encourage firms to utilize this process where appropriate to ensure timely service delivery during disaster events.

If you have any questions, please contact our office.

Sincerely,

INSURANCE COUNCIL OF MANITOBA
