

Agent Licence Renewal - Closed

Emailed June 1, 2026

Your insurance agent licence(s) expired at the end on May 31, 2026. The appropriate parties have been notified of the non-renewal.

As of June 1, 2026, you are no longer authorized to conduct any insurance-related business.

If you wish to apply for reinstatement of your licence(s), you must complete an online reinstatement application. Instructions for this process are provided in the [User Guide - to Reinstate a Licence](#).

Applying does not authorize you to act as an agent. You must wait until your licence has been issued and confirmation has been received via email before resuming any insurance-related activities. Please allow sufficient time for processing. All communication is expected to remain polite and professional to avoid any delays.

Resident agents only (excluding Restricted Insurance Agents and Hail Agents): Failure to reinstate your licence within 12 months of the expiration date will result in additional education and licensing requirements.
