

ADJUSTER Licence Renewal Closed

Emailed July 3, 2026

Your Insurance Adjuster Licence expired at the end of the day on June 30, 2026. Your adjusting firm or sponsoring insurer has been notified of the non-renewal.

As of July 1, 2026, you are no longer permitted to transact insurance business or act within the definition of an adjuster.

If you wish to apply for reinstatement of your licence, you must complete an online reinstatement application. Instructions for this process are provided in the [User Guide - to Reinstatement a Licence](#).

Applying does not authorize you to act as an adjuster. You must wait until your licence has been issued and confirmation has been received via email from the Insurance Council of Manitoba before resuming any duties as an adjuster.
