This email has been sent to you as the authorized appointee and primary contact currently listed with the Council. If you are not the appropriate recipient, please forward this message to the correct authorized appointee and advise the Insurance Council of Manitoba so that our records can be updated accordingly.

The Insurance Council of Manitoba (ICM) Hail adjuster licence renewal for the 2026-2027 period is now complete.

Please review the following Hail adjuster(s) who was/were previously sponsored by your organization and did not renew their licence as of July 1, 2026.

Any Hail adjuster who has not renewed their licence is considered unlicensed effective July 1, 2026. As such, they are not authorized to act as a Hail adjuster. Please note that licensing status is updated regularly and may change on a daily basis. You can verify licence status at any time through the ICM website using the [Licensee Search](#) and [Agency/Firm and Sponsor Search](#) tools.

Applicants seeking licence reinstatement must complete an online reinstatement application. Instructions for this process are provided in the [User Guide - to Reinstate a Licence](#). Confirmation of reinstatement will be sent to the adjuster by email.

You are required to **immediately** when you no longer sponsor a licence [in accordance with Section 373(2) of The Insurance Act of Manitoba]. To do this, log into your [account](#), navigate to **Organizations**, select the organization under which the licence holder is licensed, and then choose **Licences - Manage Cancellation(s)**.

If you have any questions, please contact a member of Council's licensing team at contactus@icm.mb.ca.
